Greetings!

In its effort to continuously develop well trained volunteers/ personnel to provide timely assistance in times of emergency and to promote a disaster resilient municipality, the Office of the Local Disaster Risk Reduction Management-Mabinay will conduct a two-day training on High Angle, Victim Extrication, Rope and Water Rescue Training for School Heads and DRRM School Coordinators. Public awareness and participation in disaster preparation management and response is necessary in mitigating emergencies and calamity situations.

This initiative is aimed to provide knowledge and skills to capacitate the School Heads and DRRM School Coordinators in the different life saving techniques for a safe, effective and reliable methods in rescuing trapped or injured persons from elevated structures or areas of difficult access, and in recognizing water hazards, mechanisms on personal safety and survival and basic life saving measures. The said activity will be held on December 4-5, 2018 for District 1 & 3 and on December 6-7, 2018 for District 2 & 4 from 8:00am to 5:00pm at the Mabinay Spring Resort Function Hall. Meals and snacks are provided.

In this regard, may we respectfully request the School Heads and DRRM School coordinators of DepEd Mabinay to attend on the aforesaid activity.

Should this merit your approval, we can be reached thru our office hotline number 0917-1369-705.

Thank you and more power!

Very truly yours,

GRACE JOY E. ACUSTIN, RN
Local DRRM Officer I
