May 29, 2018

**Wilfreda D. Bongalos, Ph.D., CESO V**  
Schools Division Superintendent  
Division Of Negros Oriental

Ma'am:

Good day!

Every year, of June 14, countries around the world celebrate *World Blood Donor Day*. The event serves to thank voluntary, unpaid blood donors for their life-saving gifts of blood and to raise awareness of the need for regular blood donations to ensure the quality, safety, and availability of blood and blood products for patients in need.

To celebrate this meaningful event, the Province of Negros Oriental headed by Gov. Roel R. Degamo thru the Provincial Health Office in partnership with Department of Health-Regional Office VII and Philippine Red Cross-Negros Oriental Chapter is organizing a bloodletting activity with the theme "*Be there for someone else. Give blood. Share life.*" The bloodletting activity will take place on **June 14, 2018 (09:00 am–03:00 pm)** at **Gov. Mariano Perdicés Memorial Coliseum, Dumaguete City**.

As blood donation is a shared social responsibility, we would like you and your colleagues to take part in this celebration by taking an hour or two off from work so that you can donate blood. The short time that you will devote in donating blood will go a long way as the blood that will be collected will help save or extend someone else's life. May our endeavor send a positive message of solidarity as we act together to provide safe and quality blood to those who are in need.

We will be in contact with your office to follow-up on your participation in this activity. Should you have questions and clarifications, please feel free to contact Mrs. Evelyn Montibon, Provincial Blood Program Coordinator, PHO (0916-431-1565) or Mr. Junefred Icalina, Nurse Phlebotomist, PRC-Negros Oriental (0915-780-3781).

We thank you in advance for your altruism and support to the blood program. I am hoping that on June 14 **YOU** will *Be there for Someone Else*. **YOU** will *Give Blood*. **YOU** will *Share Life*.

Sincerely,

**LILAND ZOILA B. ESTACION, RN, M.D.**  
Assistant Provincial Health Officer
