Subject: **ONLINE SURVEY**

Dear Dr. Jeruta:

Greetings of peace and prosperity!!

Edukasyon.ph is a social enterprise in the Education Technology sector that believes every student has the right to a quality and relevant education. Through our online platform (**website**), we empower students by giving them **choice, advice, and convenience** in finding the right education opportunities for their dream career.

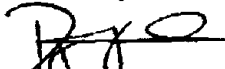

Edukasyon.ph is also actively working with the different Foundations/NGOs, LGUs and DepEd-RDO & SDOs in assisting students, parents, teachers and school administrators make informed decision on career pathways through **education fairs, career clinics** and **Career Awareness & Readiness Seminars (CARES)**. To date, we have successfully organized and implemented these activities across the country and have helped more than 150,000 students to make empowered and informed choices on education opportunities available to them.

In line with the above advocacy, we would like to extend our services to DepEd RO7 in determining the career and education preferences of all Grade 10 students in region VII. Through our website, we can have an online survey page that students from region 7 can access and submit their response - with real time tabulation/reporting and analytics.

Please do not hesitate to contact Jerald Laparan through jmlaparan@edukasyon.ph (email) or 0977-807-1156 (mobile number) for any clarification and assistance required.

Hoping for your positive response to this invitation.

Yours truly,

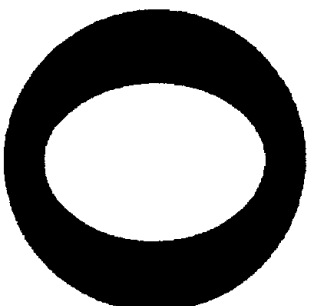

Daniel Macusi, Jr.
