Dear Principals:

Greetings!

You have been identified by Philippine Business for Social Progress (PBSP) and Scholastic/Grolier International as a recipient of this book donation drive. The project intends to support initiatives that would enhance the reading capacities of your learners and develop a culture of reading by increasing their access to appropriate reading materials. These books are also rich supplementary materials for teachers preparing modules and assessment materials for their learners at this time of COVID-2019.

We encourage the recipient schools to fully maximize the use of these resources, but at the same time, ensure they are always in good condition for the benefit of other learners. Parallel to this, Scholastic/Grolier International will be conducting a series of webinars for parents and teachers on Creating and Engaging Online Classes. We hope you, your teachers, and the parents of your learners can take advantage of this learning opportunity to better prepare the school and community for the demand of education in this time of pandemic and community quarantine. The team from Scholastic/Grolier International will closely work with your schools in the conduct of these webinars.

PBSP would like to thank our partner for the remarkable support to your school. Together, we embrace our belief that education cannot wait and commit to bring learning to our learners wherever they may be and whatever circumstances they are in.

Enjoy reading and learning!

Sincerely,

ELVIN IVAN Y. UY
Deputy Executive Director
