OIC- Office of the Assistant Regional Director
Concurrent Schools Division Superintendent

Dear Mr Jimenez,

As per our Memorandum of Agreement confirmed in August 2017, we are excited about working closely with the Department of Education Division of Negros Oriental to help the teaching community use Edmodo in classrooms.

Our immediate goal is to train teachers who can act as an anchor community for the larger educators' community of Negros Oriental Division. Towards that end, we would like to schedule a training seminar on **January 24th 2018** to provide an interactive session on Edmodo for a select group of 100 teachers. We expect that this seminar will enable the participants to become "Experienced Users" of Edmodo.

In order to have a successful session, we request that the following resources be provided:

- Comfortable hall space and seating arrangement for 100 participants
- Internet and device access for each participant
- Projector and screen
- Audio system so each participant can hear properly with extra mics for questions

I defer to your judgment to add anything that would make the seminar a successful experience for the participants.

Best regards,

Bilal Musharraf
Director Strategic Partnerships
Edmodo
