**DR. WILFREDA D. BUNGALOS, CESO V**  
Schools Division Superintendent  
Division of Negros Oriental  
Dumaguete City, Negros Oriental

Dear Dr. Bungalos,

Greetings of Peace and Love!

Over the years, science and technology has immensely revolutionized the world which has broadened the horizon of various fields. From the way we communicate and interact with one another to how we can easily perform and accomplish tasks, from combatting societal problems to formulating potential solutions for improvements, all were influenced and made possible due to the skyrocketing development of science and technology.

St. Paul University Dumaguete (SPUD), through Paniksik Society and Mathletes of the College of Arts, Sciences and Education; expresses its intention to humbly invite you to join hand in hand with us in propagating and molding future set of pillars in the field of Science and Technology and Education as a whole as a celebration of the Science and Math Month through the “**2019 Inter-Senior High Research Forum**” and “**Science Extemporaneous Speaking Contest**” at the SPUD- Audio Visual Room (AVR) on September 26, 2019, 9:00 AM – 4:00 PM with the theme “**Theme: Science for the People: Enabling Technologies for Sustainable Development and Intentional Discipleship.**”

Furthermore, we are kindly asking for your whole-hearted permission from your good office to allow the high schools under your administrative jurisdiction to join the said activities. Attached are the necessary documents for your convenience. May we also ask a letter of endorsement as a form of response to this letter relative to this communication? You may contact us through:
