Department of Education Region VII

Dear **Dr. Jimenez**:

The **Ramon Aboitiz Foundation (RAFI) - Center for Leaders** organizes an annual online learning engagement in celebration of International Youth Day, called **Youth in Action**. For the entire month of August, RAFI CFL conducts a series of virtual sessions bringing together Youth Leaders from Public and Private Education sectors, Youth Serving Communities, Youth in Governance, and Youth from faith-based organizations. Youth In Action creates the space for conversation on how the youth can better respond to the challenges of the current times through a call to action in four areas: Aware, Care, Transform, and Serve.

This year's **Youth in Action** theme is **Collective Everyday Efforts for a Better Philippines** and will highlight current realities and responses of young people, inspiring them to reflect, act and innovate to move their communities and the country forward. Sub-themes in the series will discuss specific topics that will enable participants to create their own growth and action plans to improve Personal Development, Personal Leadership, Social Awareness, and Planetary Health.

We would like to invite our past course participants and alumni especially our Supreme Student Government Officers from the different divisions in Central Visayas. In this regard, we would like to kindly request your good office for an official endorsement of the activity and to communicate this invitation through our Youth Formation Coordinators. Attached is the Youth in Action session details for the invitees reference.
