Dear Dr. Bongalos,

Greetings!

We are happy to inform you that "The Value of Hardwork and Discipline" Comprehensive School Program of Fortune Life Insurance Company in partnership with MaryLindbert International and Department of Education is already on its 8th year. Workbooks, teaching materials and teaching guides on hard work and discipline were given free to nominated schools nationwide intended for Kinder to Grade 4 pupils.

Moreover, a "Life Coaching Seminar for Teachers" will be conducted. Speakers will be Dr. Paraluman R. Giron and Fortune Life Insurance Finance Analyst. Dr. Paraluman R. Giron will life coach the teachers on how to be effective educators in school, at home and in the community while our finance analyst will impart financial literacy to the attendees.

In connection with the above, we would like to request your kind office to please help us invite teachers, principals and non-teaching officials of the schools from your division via a memorandum or advisory. (Maximum of 120 participants coming from different schools). Further, we would like to request for a supervisor to oversee and coordinate the program.
