Dear Ma'am,

Greetings!

Passerelles numeriques Philippines Foundation Inc., is a non profit non government organization catering IT scholarship to the underprivileged students from the Visayas and some parts of Mindanao. Last June 26, we just welcomed 72 more students in our organization making our total of students reach 172. All of them are motivated to finish their studies at the University of San Carlos, Talamban Campus, Cebu with the hope of a promising future after graduation.

Furthermore, as we go through another phase of the selection process for the next batch of scholars for the next academic year, we are hoping that you will lend us a helping hand and be with us side by side in helping underprivileged students to access qualified jobs to hopefully end the vicious cycle of poverty and promote sustainable social progress.

In this period, Passerelles numériques Philippines is starting again its search for underprivileged but deserving students who could become our students for our 2.5 year IT training. The qualifications of the applicant are indicated below;

- 1. 17 to 20 years old (in June 2019)**
- 2. Grade 12 graduate in 2018 but did not enrolled in college and incoming Grade 12 graduate in 2019**
- 3. Interested in IT (Information Technology)**
- 4. Underprivileged Student- the parents do not have any sustainable means to send the student to college.**

The applicants will undergo the Selection Process which are the **information session, exam, motivation interview and social investigation.**

I would like to ask your permission that we conduct Information Session to the Grade 12 students. The purpose of the Information Session is to introduce our scholarship program to the students, the Selection Process and to set their expectation on the scholarship. I attached to this letter the list of Senior High Schools that we will going to visit and the schedule of the of Information Session. The schools not indicated in the list are also welcome to join the Information Session the scheduled dates, as much as we want to visit all the schools but we have limited time and manpower.

If you have questions and clarifications you can reach me in my email address [irish.bulan@passerellesnumeriques.org](mailto:irish.bulan@passerellesnumeriques.org) and through SMS 09229903249, or via phone call (032) 418-0288. You can also visit our website at [passerellesnumeriques.org](http://passerellesnumeriques.org).

Thank you very much for all the help! We are looking forward to work with you.

All the best,

  
**IRISH MAY T. BULAN**  
Selection Process Manager
