Ma'am:

Good day!

As a highly established institution and one of the 1<sup>st</sup> Senior High Schools in the country recognized by the Department of Education, STI continues to provide quality and relevant education to its students, producing skilled and globally competitive professionals. The school, reputed as a provider of quality ICT education, sees its students through academic and professional fulfilment by utilizing quality facilities and qualified faculty members.

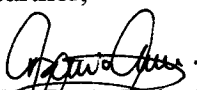

As part of STI's aim to support the implementation of the Senior High School, we would like to take this opportunity to be able to help you in your quest by conducting a meaningful and informative **Career Guidance Seminar** to your **Grade 10 and 12 students in your division from month of January to March 2019**. This free seminar/orientation aims to help our students understand the importance of the K to 12 program and make an educated decision on which track in the Senior High School and course in college is best suited for them. During the seminar, we will be discussing to students some various career factors and industry information necessary to help them make an informed choice, and accordingly, give them a higher chance of being successful in their chosen career.

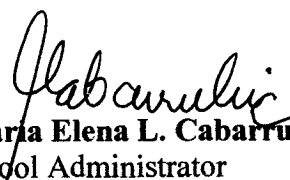

In this light, we would like to humbly ask your good office to permit us for this intent and to provide us a softcopy/hardcopy of all the grade 10 and grade 12 enrolled with a corresponding number of students under your jurisdiction. This is for us to provide each student an educational related material during the conduct of the above-mentioned matter.

We trust that you will find merit in this endeavour. Should you have any questions/clarifications, please feel free to get in touch with **Ms. Eva Mae L. Arquio** through **09368663489** and [evamae.arquio@dumaguete.sti.edu](mailto:evamae.arquio@dumaguete.sti.edu).

Thank you very much and God bless!
