Greetings!

The World Maritime Academy & Training Center, Inc. – Senior High School is a non-sectarian private institution whose mission is to provide quality education and to train students in their respective fields in order to produce academically proficient and competent high school graduates.

We want to share this noble mission with Grade 10 students. We have our marketing team who will be visiting different Junior High Schools to have a career orientation and discuss the great opportunities that await the Grade 10 completers should they wish to enroll in our school.

We are confident that we are anchored on the same direction and that we could work together for our students' future.

Thank you very much!

Truly yours,

HENRY A. SOJOR, Ph.D.
President
