Dear Undersecretary Mateo.

The ADB Secondary Education Support Program (SESP) team was requested by Undersecretary Nepomuceno Malaluan to undertake a Teacher Profiling Study. This study aims to establish a profile of the existing teaching personnel of the Department of Education (DepEd) in terms of the following attributes: (i) age, (ii) sex, (iii) highest educational attainment, (iv) specialization (i.e., major/ minor and specialized training credentials), (v) years in service in the department, (vi) current position and salary grade, (vii) school assignment, (viii) teaching assignment in terms of subjects taught, and (ix) ancillary assignment. The following sources of teacher information will be mined: (i) DBM's PSI-POP, (ii) DepEd's eHRIS database, (iii) School Form (SF) 7 which all DepEd schools are required to complete yearly. The output of this exercise will inform the department's policies and programs related to (i) career pathing, (ii) teacher professional development and in-service training programs, and (iii) teacher demand by specialization.

In this regard, we would like to request for your support in the collection of electronic copies of the completed School Form 7 (excel format) as collated by the Schools Division Offices. Our TA team, led by Dr. Rosario Manasan, can coordinate with your Planning Service to discuss how the data will be collected from the SDOs. Thank you very much for your kind consideration.

Best regards.

Yours sincerely,

Lynnette Perez Senior Education Specialist Social and Human Development Division Southeast Asia Regional Department
