On May 19 St. Paul University Graduate School will hold a Research Forum at the Mere Maria Hall this university at 10:00 in the morning. This is on line with the university to promote the value of research not only among the graduate students but also among stakeholders and those from the academe.

May I request further to invite at least eight (8) principals and teachers from each of the city school districts namely Mabinay, Amlan, San Jose and Sibulan.

I do hope this request may merit your kind approval.
