Dear Superintendent Bongalos:

Good day! Last May 21, 2018, Mr. Allan Tabio and I met to discuss the proposed collaboration for the **School Sports Enhancement Program** and we discussed matters for the implementation including the revision of the Memorandum of Agreement.

In our meeting, we acknowledged that it is imperative to set-down with the different School Sports Coordinators for them to familiarize the salient features of the Sports STEWARD Program and the schedules for the projects.

In that meeting, we agreed to have the **orientation training on June 22, 2018** a month later to give time for the communication to be send-out and for the different PESS Coordinators to prepare. Please find the attached approved training proposal.

Regularly, the program will kick-off every first weekend of July and we have successfully conducted the project for the past five (5) years.

I send my staff to follow-up for the said June 22 orientation training but unfortunately it was not set because of the GAANO sports event and with that development Mr. Tabio requested that the orientation training to be moved to **July 13, 2018**.

In this connection, I would like to invite you and the different School Sports coordinators to an orientation training to further discuss the program and its implementation and preparation this **July 13, 2018 at 9:30AM** at the Macias Sports and Cultural Center, Capitol Grounds, Dumaguete City.

Thank you very much.

Respectfully,

PAULTOM Y. PARAS
