Regional Director
Department of Education
Regional Office VII

Dear Director Jeruta:

Greetings from PhilHealth!

We are truly grateful for the support and assistance your office has extended during the initial roll-out of the teaching of PhilHealth Learner's Material (PLM) among Grade 10 students in the public schools in Region 7. Last year, we were able to conduct orientation to the Division offices in Mandaue and Lapu-lapu cities.

We were pleased by the schools' response by eagerly implementing the teaching of the PLM and the students' reactions by valuing the lessons learned based on our observation during the teaching of the PLM in selected schools.

For School Year 2018-2019, the teaching of PLM shall be rolled out throughout Region VII and our Local Health Insurance Offices (LHIOs) have already made initial engagements with the Division Superintendents in the provinces.

In view thereof, we would like to request that the MAPEH supervisors, Grade 10 MAPEH teachers and the Education Program Supervisor for MAPEH shall be allowed to attend our orientation on the PLM in Bohol, Negros Oriental and Cebu provinces. The schedule of the orientations shall be coordinated with the Division Superintendent in these areas.

We look forward to your favorable response on this matter.

Very truly yours,

WILLIAM O. CHAVEZ
Regional Vice President
