Dear Supt. Bongalos,

Greetings!

The collaborative efforts of the Department of Education (DepEd) and the Provincial Agriculture Office (PAO) in helping the nutritional well-beings of school children and the replicating communities had once again attained success in last year's implementation of RRDCSC (Reinforcing the Right Development of Children in Schools and Communities) Program. Evidently, favorable impacts were catered to the targeted beneficiaries.

With the intent to sustain this endeavor, the Provincial Agriculture Office (PAO) will conduct a **Training/Seminar for RRDCSC Implementers on the Protocols of Organic Vegetable Gardening and Tilapia Culture**. This seminar is designed to capacitate the new teacher implementers as well as better orient the previously trained teacher implementers.

Parallel to this, we are inviting **8 schools (elementary or high school) from every municipality/city. Specifically, we are inviting 1- school head and 1 school's RRDCSC Coordinator from every attending school.**

Attached is the list of schools invited to attend the retooling this School Year in your division for your approval.

NESTOR R. VILLAFLORES
Provincial Agriculturist
