Madam:

Merry Christmas and a Prosperous New Year!

We are pleased to inform you that our school, Negros Maritime College Foundation Incorporated (NMCfi) located at Airport Area, Sibulan, Negros oriental is in its second year of implementation of SHS under the TVL Maritime Specialization Program effective November 26, 2018.

In this connection, we are knocking again at your door to solicit your kind heart to allow us to have a school to school campaign like we did last year in order to gather more enrolment and more teachers are to be hired for the betterment of our school. This activity will be done in advance from Canla-on to Basay Districts, January to March 2019. But rest assured classes would not be disrupted in the field during our visit. This will be done through our own efforts.

We will be sending letters to your school administrators, Supervisors, Principals or School Heads to become aware of the said activity before the effectivity of our campaign.

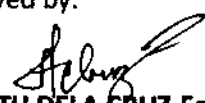

We shall await for your favorable response to this request.

Thank you and God Bless! More Power!

Very respectfully yours,

DR. VIRGINIA G. MANANQUIL
SHS Grade II- Coordinator/Adviser
