Dr. Wilfreda D. Bongalos
Schools Division Superintendent
DepEd, Negros Oriental Division

Dear Dr. Bongalos:

Good day!

One Meralco Foundation (OMF), in collaboration with Coalition for Better Education (CBE), has been working closely with the Department of Education in the implementation of the Meralco Energy Education Program or EnergyEd. As of writing, 665 flashcards had been developed, 823 teachers had been trained on content development and effective use of the Energy flashcards, and over 1000 EnergyEd kits had been distributed to 895 schools nationwide.

Moving further to reach more schools this year, we will be conducting an EnergyEd kit orientation and distribution in Silliman University, Dumaguete City this August 26, 2018 at 8:00AM. In this regard, we would like to invite the following, being part of the lead authors of the EnergyEd flashcards, to facilitate the orientation on the EnergyEd kits:

- Joseph R. Gemima – DRRM Officer, DepEd Negros Oriental Division
- Lolita T. Rivera – Siaton National High School
- Pilita C. Elumir – Jose Mari Locsin Memorial High School

Also, kindly endorse 12 schools (6 elementary schools, 6 high schools) which will be awarded with the EnergyEd kits. We would appreciate if the schools selected will meet the following criteria:

- At least 200 student population
- With access to internet facilities

We request the presence of the respective schools division superintendent, school principal and science coordinator of the endorsed schools to be present and receive the kit during the awarding. On this note, we would like to request for release of travel orders for those who will be involved in the activity. Schools that are not represented forfeit their chance to receive the energy kits.

We will coordinate with your office or you may also reach us through Kathleen P. Manlangit at the CBE Office: 4164624 to 26.

We sincerely hope for your favorable response to the above request.

Thank you very much.

Sincerely,

JEFFREY O. TARAYAO
President, One Meralco Foundation
