1. This is to inform you that your school has been chosen to participate in the project entitled "Students as Environmental Advocates (SEA) Program" of the Marine Conservation Philippines with the Department of Education, Division of Negros Oriental as the collaborating agency.

2. The main objective of the project is to provide information and capacity building to elementary and secondary learners about the environment specifically the marine biodiversity and conservation.

3. You are therefore expected to assign a teacher-adviser for the group participating in this activity.

4. For details see Ms Alma Cora M. Catacutan, EPS-Science.

5. For your information and compliance.
