Greetings!

San Pedro Academy will be having a seminar on **Learner – Centered Pedagogy on February 14, 2019, 10:00 – 5:00PM**, in which the school invited a speaker from Saint Louis University, Baguio City, Dr. Josecito Gutierrez, the Director of the Community Extension and Outreach Programs Office of the said institution.

It is in this connection that San Pedro Academy would like to ask for an approval upon conducting this seminar and inviting other Secondary Private Schools within the Division of Negros Oriental to have at least two (2) representatives from their school to join and attend the Learner – Centered Pedagogy Seminar on the said date. The said seminar has a registration fee of ₱300.00 per participant with one two snacks (AM and PM), lunch and certificate as inclusive for the said amount.

In addition, upon asking an approval, we would like also to ask for help in disseminating the said information through a memorandum for the invited schools to be aware and that for them to know that it is on your approval to conduct such seminar.

Attached herewith is the program as well as the training design for the said seminar on Learner – Centered Pedagogy for you to review.

Hoping for your positive response on this matter.

Thank you very much and God Bless!

Respectfully,

## Training Design

**Title: Seminar on Learner-centered Pedagogy**

Participants: Secondary Private School Teachers within Negros Oriental Division

Date: February 14, 2019

Venue: San Pedro Academy Library

**Rationale:**

Teaching-learning process is an on-going process in the instructional procedures and activities. This will ensure that the plans, actions, and assessments conducted by the teacher inside the classroom are in consonance with the main objective of providing a quality instructional procedure. Learner-centered pedagogy is one aspect of the instructional procedure that will ensure that all decisions made by the teacher are always anchored on the premise that learner is always the top priority in all aspect of the teaching-learning process. Approaches, methodologies, and strategies must be toward the maximum learning and enjoyment of the learners.

**Objectives:**

Throughout the discussion, the teacher participants should be able to:

- a) explain the nature of the 21<sup>st</sup> century learners;
- b) assess one's readiness in meeting the challenges of the current academic situations;
- c) plan specific strategies that will cater to the needs of the millennials; and
- d) find enjoyment in teaching the 21<sup>st</sup> century learners.
