Team Leader- DepEd Dental Team

Dear Dr. Bongalos:

I am writing to you relative to our plan to call for a special gathering with all the members of the Madegamo Medical Team on June 22, 2018 at Umbac's Beach Resort, Cangmating, Sibulan.

This gathering is designed to rekindle the spirit of camaraderie among members in line with our present duties and responsibilities in the medical team.

The Dental Team from your Office has been a good partner to us since from the very start of our medical activities up to the present. We are working hand in hand whether it's a sunny or rainy days. Certainly, we are partners for development in line with the so called "HELP" centerpiece program of Gov. Roel, where H stands for health.

Along this end, we are requesting you to allow your Dental Team to join us on our special gathering as abovementioned.

We always pray for your noble intention to be one with us in our quest to delivery medical services at the doorstep of the people.

More power!

Very respectfully,
