Attention: Regional Testing Coordinator

Dear Dir. Jeruta:

In adherence to DepEd Order No. 29, s. 2017, "Policy Guidelines on System Assessment in the K to 12 Basic Education Program," the Philippines has signified its participation in one of the International Large Scale Assessments (ILSAs), one of which is the Trends in International Mathematics and Science Study (TIMSS). It is an international assessment that measures the mathematics and science ability of Grade 4 and Grade 8 students. The International Association for the Evaluation of Educational Achievement (IEA), an independent international cooperative of national research institutes and government agencies, runs the assessment every four (4) years.

TIMSS is designed to provide information that will assist countries to monitor and evaluate the success of their mathematics and science education across time and across grades, based on student achievement relative to type of curriculum, instructional practices and schools. For TIMSS 2019, the Philippines will only assess Grade 4 students and opted for a paper based mode of test. The Bureau of Education Assessment (BEA) of the Department is mandated to carry-out the management of this international large-scale assessment. (D.O. No. 39, s. 2017). The TIMSS Field Trial will be conducted in **February 19 to March 2, 2018** to select sample schools nationwide. (A separate memorandum will be issued regarding the conduct of this Field Trial.)

Following some statistical procedures conducted by IEA, we are pleased to inform you of the following school(s) that was/were selected as sample/s for the TIMSS Field Trial in the Division(s) from your Region:

DIVISIONS	SCHOOL ID	SCHOOLS
✓ Bohol	118808	Bulilis FS
✓ Negros Oriental	120314	Big-a ES
