Dearest SDS Bongalos,

Greetings from the NATCCO Network!

The growth of the Aflatoun Program in the Philippines is mainly attributed to the power of meaningful partnership and collaboration. As our partner in bringing social and financial education program to Filipino children and youth, the Department of Education has always been our ally in developing our young people to be equipped for the 21<sup>st</sup> century economy. This partnership has achieved so much for the past decade. The Philippines is now the third largest implementer in the global Aflatoun network. As of today, we are serving 1,358 schools, trained more than 7,000 teachers, and provided 260,000 children the access to child-friendly accounts amounting to a total of P166 million – all through our partnerships with DepEd and local Cooperatives. We ultimately see this partnership growing and evolving – with the overall goal of making every Filipino child a saver and a change-maker in sustainable communities.

To celebrate this partnership and explore exciting opportunities for the next decade of the Aflatoun Program and Financial Education in the Philippines, **we would like to respectfully invite Ms. Isabel R. Austal, Principal of Caticugan Elementary School in Siaton, Negros Oriental, to the Aflatoun Financial Education National Leaders' Congress this coming October 10-12, 2018 in Quezon City. The venue will be at Microtel by Windham in UP Technohub, Commonwealth Avenue, Quezon City.**

Our cooperative partner in Bonbonon, **Bonbonon Farmers Multi-Purpose Cooperative**, will sponsor her event registration and transportation. They will also coordinate with her regarding the details of the event. Kindly see attached Program of Activities for your perusal and guidance. We look forward to her active participation in this one of a kind event.

Through this Congress, we hope to encourage our DepEd Leaders to continuously inspire the schools for the enrichment of the Program. This is also in line with DepEd's efforts to incorporate its Financial Literacy Program across all Levels, which NATCCO is part of in DepEd's Technical Working Group. We believe that developing lasting partnership requires meaningful interaction and this activity will be our best platform to strengthen our united advocacies!

Thank you so much, and we look forward to the participation of Negros Oriental! .

Sincerely

  
**SYLVIA D. PARAGUYA**  
Chief Executive Officer  
NATCCO Network
