November 23, 2018

DR. JULIET A. JERUTA
Regional Director
Department of Education–Region 7
Sudlon, Lahug, Cebu City

Dear RD Jeruta,

The Philippine Business for Social Progress, through the support of the Telstra Foundation Philippines, initially engaged your SDO in a two-day Cluster Division Workshop for Visayas, titled “SHS-Industry Linkages and Enhancement Workshop through SDOs” held on June 29-30, 2018 at the Golden Prince Hotel. Participating SDOs were able to 1) assess the effectiveness of SHS-Industry linkages in terms of the benefits derived from the partnerships; 2) identify other areas for SHS-Industry partnerships; and 3) formulate strategies/action plans for involving more industry partners/strengthening existing partnerships for SHS.

As discussed with you initially the activity would need follow-through. Thus, we will be conducting one such activity on December 6-8, 2018 at the Royal Suite Inn Dumaguete City to finalize the action plans of your SDOs and move forward by identifying potential partners to target for the proposals.

In this regard, may we request your assistance to help us invite at most four (4) participants to join us on the said activity in December, preferably those who were present during the first Division Workshop or any other staff involved in SHS implementation with knowledge of the SDO's SHS Partnership Linkage Plans.

For Region 7, the SDOs involved in the program are: 1) Bayawan City; 2) Bais City; 3) Dumaguete City; and 4) Negros Oriental. It would greatly help if you send these SDOs a memo for their participation.

We will shoulder travel and accommodation expenses. Attached is the rationale and overview of the workshop for your reference.

If you have further questions, please do not hesitate to contact Jabesh Gilead J. Albuladora, at 09171068553 or email us at atjabesh_pbsp@gmail.com.

We look forward to your positive response! Thank you very much!

Sincerely,

A handwritten signature in black ink, appearing to read "Angelie Y. Millan".

ANGELIE Y. MILLAN
Manager
Visayas Regional Center

**Developing Industry Linkage Action Plan/Partnership Proposals
Follow-through Workshop**

Rationale:

The first round of workshops focused on:

- Reviewing the objectives of the SHS implementation;
- Identifying gaps in SHS implementation that can be addressed by linking/partnering with industries
- Assessing the state of school-industry partnerships with the end in view of learning how best to engage industry partners and sustaining such partnerships

The first round of workshops focused more on the “process” and the outputs produced (in matrix form) served to emphasize the relationships, dependencies and consistencies among the different elements that would compromise a good partnership proposal.

While the outputs then were already reflective of the knowledge/skills gained, the same can still be polished/sharpened by:

- using actual and updated data;
- having an identified target industry partner
- supplying the specifics, in terms of duration, number of participants, costs involved, delineation of functions, etc.
- transforming the matrices into a better-formatted proposal

WORKSHOP FLOW (Overview)

Day 1 AM – Progress Check/Updates

1. Review of the application of learning/agreements from the first round of workshops
2. Sharing of lessons/experiences/best practices
3. Discussions on issues/challenges encountered and how best to address them

Day 1 PM – Quality Assuring Outputs from the workshops as well as newly-developed ones

Day 2 – Writeshop

1. Transforming matrix-outputs into better-formatted proposals
2. Customizing proposals for already identified target partner (from PBSP’s list)
3. Critiquing/ ‘cliniquing’ outputs
4. Finalizing outputs

Day 3 AM

- Continuation of writeshop
- Agreements and Next Steps
