Ma'am:

Greetings!

The Mabinay Pencak Silat Association is one of the highly recognized associations in the Municipality of Mabinay and has already brought pride and honors to the Municipality. In fact, most of the competitions participated by the athletes/players garnered gold and silver from local invitational tournaments to national tournaments. We already have players who were gold medallist in national competitions. We also have local players who are already part of the Philippine team and had already played in some countries in Asia in the person of James El Mayagma and Miguel Ian Alangre. Our municipality is highly recognized by the Philippine Pencak Silat Association in terms of producing competitive and powerful athletes.

On the other hand, another two (2) strong and competitive athletes of the association won as gold medallist in the Batang Pinoy Visayas Leg last November, 2017. And, they will represent the Municipality of Mabinay for the upcoming Batang Pinoy National Finals which will be held at Baguio City, Philippines on September 15-21, 2018.
