=====

Please be informed that your services as Dentists will be needed during the 2018 Bais Medical Mission on February 14 & 15, 2018.

For details of the activity, please refer to the attached letter invitation by Reza Forrozan, Coordinator, Medical Mission Team.

FR. SALUSTIANO T. JIMENEZ, CESO VI
OIC-Assistant Regional Director
Concurrent Schools Division Superintendent

NEGRENSES DEL ORIENTAL DE MINNESOTA

#79 L. Rovira Road W.
Pulantubig, Dumaguete City
January 27, 2018

Dr. Salustiano T. Jimenez
Superintendent
Negros Oriental Department of Education
Dumaguete City, Philippines

Dear Dr. Jimenez,

Greetings! With the 2018 Bais Medical Mission quickly approaching, we are finalizing details to make this mission a success in terms of number of patients served.

To accommodate 300 plus dental patients per day, we have to have 15 dental chairs. With 7 dentists coming from Foundation for Philippine Medical Missions, we need eight local volunteer dentists. The Negros Oriental Dental Society is working and making this part of their project since February is Dental Health month. Dr. Patrick Chua and Dr. Manolo have volunteer dentists but some of them are employees of the province, Department of Education and local LGU's.

We also plan to see 1,000 people or more per day in the outpatient clinic with 25 stations. We have 17 doctors from the FPMM group. So we are short 8 doctors to fill up the stations.

May we request you to approve Department of Education dentists and medical doctors to volunteer their time at the Bais Medical Mission even if it's just for a day or two. The mission will serve people from Bais City, Tanjay City, Mabinay, Pamplona and Manjuyod.

Thank you very much for your support of this medical mission.

Sincerely,

Reza Foroozan
Coordinator, Medical Mission Team
