RE : Invitation for Dr. Miranda to attend meeting with the Academe

Dear Dr. Jimenez,

Warm greetings!

First off, we would like to thank you for your active participation during our *10 Million Trees in 10 Years (10M in 10) for a Greener Negros* movement Partner Cluster Meeting last July 27, 2017. The points raised and suggestions at the meeting were helpful in identifying areas that need more focus and opportunities for further collaboration among the movement partners. The meeting also reinforced the importance and value of the Academe sector in shaping the attitudes of our future generation to care and act for the environment.

At the Cluster Meeting, we took note of a discussion among some of the members from the Academe sector, where **Dr. Ermita L. Miranda** was in attendance also, on the possibility of a joint tree-growing project. Not wanting to let this opportunity pass, we would like to assist our partners in any activity that would help promote collaboration toward the goal of having a Greener Negros. Thus, we would like to invite **Dr. Miranda** to attend the **first meeting with the 10M in 10 Academe Partners, at 9:00 to 11:00 in the morning of February 13, 2018 (Tuesday), at the 2nd Floor of Casablanca Restaurant, Rizal Boulevard, corner Noblefranca Street, Dumaguete City.**

At this meeting, together with the other 10M in 10 partner educational institutions in Dumaguete, i.e. Negros Oriental State University (NORSU), Foundation University (FU), St. Paul University Dumaguete (SPUD), and Silliman University, we hope to:

- Discuss planting plans and/or a potential simultaneous tree planting activity with all the schools in one of the significant dates within 2018;
- Discuss possibilities on joint research projects on Monitoring; and
- Commitments for stronger promotions for protecting Negros biodiversity and forest restoration among the students and their families.

We will truly value your presence and participation in this meeting. We will contact your office to confirm receipt of this letter and your attendance. Should you have any clarifications, please do not hesitate to reach us at 10Min10years@gmail.com or at **0917-8037115**.

Thank you for your continuous participation and support in making the endeavor of not only restoring the forests of the Negros Island, but also strengthening the Negrense's commitment to and participation in caring for the environment.

Sincerely,

April R. Mamaril
Partnership Management Officer
