Department of Education  
Can-oling Elementary School  
Dagohoy, Bohol, Philippines

Dear Ms. Asucan:

Greetings!

This Office cordially invites you to the launching of the MALASAKIT PROGRAMS in the Visayas to be led by President Rodrigo Duterte and set to take place on 12 February 2018, 2:00 pm at the Vicente Sotto Memorial Medical Center located along B. Rodriguez St., Brgy. Sambag II, Cebu City.

Premising its existence on the President's directive to help the poorest of the poor, the MALASAKIT CENTER is a one-stop shop housed in identified government partner hospitals where those in need of financial medical assistance may avail of already existing government funding from partner agencies such as Philhealth, PCSO, DSWD, PAGCOR, and DOH. It aims to help facilitate and streamline medical financial assistance government processes which are extended to those who need it the most.

Also to be launched on said date is the MALASAKIT TECH2TEACH, which, with the help of Business Process Outsourcing companies (BPOs), the University of the Philippines Cebu and DepEd, aims to fast track DepEd's computer literacy program for all public schools through the donations of computer units from volunteer BPOs. These computer units will be used by public school children for their computer training and education.

Furthermore, on even date, this Office is happy to announce that the directive of the Office of the President on enhancing the peace and order situation in poor communities is further cemented with the turning over of radio communication equipment, to be installed in three (3) strategically located police detachments in the mountain barangays in Cebu City.

With these projects before us, your gracious and valuable presence in solidarity with the Office of the President's programs and initiatives would be appreciated deeply.

Thank you and we look forward to seeing you.

Very truly yours,

  
**MICHAEL LLOYD L. DINO**  
Presidential Assistant for the Visayas
