SEPAKTAKRAW & HOOP TAKRAW 2017 TECHNICAL RULES
TRAINING AND UPDATING SEMINAR ON 16-18 FEB 2018, A
SHORTLISTING OF CANDIDATES TO BE ACCREDITED TO
SERVE AS 2019 SEA GAMES TECHNICAL OFFICIALS

Madam,

Sepaktakraw & Hoop Sepaktakraw is a highly skilled game which requires a specific technique of acrobatic and somersault movements of athletes. In order to achieve this, specific technical coaching skills are required. Pursuing uniformity in interpreting all technical rules of play needed a referee's expertise.

The big challenge therefore is to enrich all the athletes, coaches, referees, and other stakeholders with the highest technical interpretation of the rules to perfect the execution of athletes during practice that will smoothen the conduct of the game.

With your region, province, and city town now winning medals in tournaments thus elevating your team's level of competitiveness, the need for a Sepaktakraw & Hoop Takraw 2017 Technical Rules Training and Updating Seminar is therefore timely and relevant.

This 3-days seminar event including in it is a 1-day "in-their-workplace" assignment will: 1) allow coaches, athletes, referees, and enthusiasts to come together as a group given the technical officials to be licensed and volunteers needed for the 30th SEA Games Philippines 2019 we are hosting; 2) provide common interpretation of the recent 2017 released Law of Sepaktakraw; 3) create a direction of understanding from the viewpoint of the coaches, athletes, referees, and stakeholders; 4) shortlisting of candidates to serve as technical officials or volunteers, and 5) establishing a very attractive atmosphere for the sponsors, benefactors, and spectators of Sepaktakraw.

Being a self-liquidating activity, a measly P800 total Registration will be asked from each participant for the 3-days seminar with in it a 1-day "in-their-workplace" assignment who will get a Certificate of Recognition & Appearance, Learning Materials, and morning and afternoon snacks. An Official Receipt will be issued by yours truly the speaker.

My sincere request for your institution is to:

- 1) issue an Advisory/Memo for the participants you see are relevant in shaping the future of your Sepaktakraw teams;
 - 2) identify an elementary/high school as seminar venue (one simple room will do) and in the elementary/high school will accommodate the participants in one to four rooms only as free billeting; and 3) appoint Mr. Marlon Gicain of Abellana NHS as assisting lecturer and national facilitator who is active in the sport.
-

My representation shall bring the:

1) LCD projector, laptop, and other presentation needs; 2) photocopied lecture materials; 3) snacks for the participants; and 4) Certificates of Recognition and Appearance.

Praying for your support to this endeavor.

Yours Sincerely,

Mr. Jolly Junia Laboy
