Dear Mr. Jimenez,

Greetings of Peace & Love!

Gender Watch Against Violence and Exploitation, Inc. (GWAVE) has been working for over a decade now to address issues of women's rights and gender equality. In particular, through the provision of free legal services for abused women and girls and conducting of a wide range of advocacy activities. The MVFC or Men for Violence-Free Communities, one of GWAVE's advocacy programs, focuses on working with men to become partners in promoting Gender Equality & Non-violence.

In 2015, GWAVE implemented a project to create a team of male facilitators with the aim of engaging men to become actively involved in advocating for gender equality. As a result thereof, we have developed 14 male facilitators for our Men Talking to Men on Gender Issues Modules, who called themselves AGENTS (Advocates for Gender Equality and Non-Violence Through Synergy).

This year, GWAVE find it necessary to train batch 2 of AGENTS in order to increase the numbers of available male facilitators.

As AGENTS batch 2 is forming, we would like to invite **Mr. Kevin B. Samson** from your institution as one of our participants for the training on **March 27, 2018 (Tuesday) starting at 9:00am until 5:00pm at Silliman University Oriental Hall**. We believe that his contribution to this endeavor is valuable and will be of great benefit not only for him, but also for the community as a whole.

For your confirmation, please contact the undersigned through **09754440703 / (035) 226-1800** on or before **March 23, 2018**.

We hope for a positive response from you soon. Thank you very much and God Bless!

Gender Watch Against Violence and Exploitation

Sincerely,

*Respetuosamente,
