Dear **Dr. Bongalos**,

In line with the annual Monitoring and Evaluation on Local Level Plan Implementation (MELLPI) of the Philippine Plan of Action for Nutrition (PPAN), the Provincial Nutrition Evaluation Team (PNET) will conduct an evaluation to all municipalities in the province on May 2-4, 2018 and May 7, 2018. During the visit, the team will review the records of the 2017 Local Nutrition Action Plan (LNAP), physical and financial accomplishment reports, and related documents. The team will also visit selected barangays to validate their Barangay Nutrition Action Plan (BNAP) and conduct validation weighing of preschool children.

In line with this, we would like to request from your office a permanent representative to attend the above-mentioned activity. Attached herewith is the Provincial MELLPI Schedule for your reference.

Thank you very much for your continued support to the Nutrition Program.

Very truly yours,
