**RE:** The Global Filipino Schools Program 2018: Culminating year

---

**Dearest Regional Director,**

This is to formally request for your attendance and support for the ceremonial launch of the **Global Filipino Schools (GFS) Program between DepEd and Globe**. This 2018 marks the completion year of the program, as we have already reached out to all DepEd Division Offices nationwide. From its humble beginnings with one school in 2012, we will end the year with more than 200 divisions supported, and present in all Philippine regions. As one of the pioneer supporters of the program back in 2012, and as the gracious host of the GFS National Workshop this May 7-11 at Echotech Park, we would like to celebrate this momentous occasion with your office.

Hence, we would like to know when and where you would be available to host a ceremonial launching between April 23, to May 4. (Formal program training will commence on May 7-11, so ideally we hold the ceremonial launch at least a week before this).

Dur suggestion is to hold the ceremonial program over lunch from 11am-1pm, at a function area or hall at your DepEd Regional Compound in Cebu. Happy to share that we have cleared resources to sponsor costs for the ceremony such as lunch, and media tokens, among others.

Excited to also inform that we will be joined by international partners who will fly in for the ceremonial launch, as well as contribute to the training of the workshop participants in May. The lineup of representatives for the launch, will be as follows:

1. **Globe:**
  - Ernest Cu, Chief Executive Officer
  - Ma. Yolanda Crisanto, Senior Vice President
  - Maricel Gray, Director
2. **Google:** Lucian Teo, User Education and Outreach Manager, APAC
3. **Quipper:** Yuki Naotoni, Country Manager, Philippines
4. **Da Vinci Learning:** Karen Cheah, General Manager, Asia
5. **Mano Amiga Academy:** Eleanor Pinugu, Executive Director

As such, we are hopeful to get a set date and venue confirmed from you within the next few days, to ensure complete participation of the full lineup of key partners.

**In addition to this, we would like to officially invite regional and divisional representatives to attend our national training as well, which will cover 21st century learning methods, and ICT integration in the classroom, at Echotech Center from May 7-11, 2018. In particular, we would like to send a particular invitation also to Ma'am Johnnyline Jagdon, and reps from each of your deped divisions to be present, with the objective of possibly integrating workshop learnings into the curriculum for this coming school year.**

We look forward to immediately hearing from your kind office for feedback. Thank you and warm regards!
