**Dear Dr. Bongalos:**

**GREETINGS!**

The Tourism Code of the Province of Negros Oriental has just been implemented by Governor Roel Ragay Degamo, which among other provisions, created the Negros Oriental Tourism Council, whose Chairman is appointed by the Provincial Governor. There are four (4) major committees created such as Planning and Product Development, Promotion and Marketing, Sites and Services and Standards and the Human Resource Development with its corresponding membership composition and functions, (herewith attached).

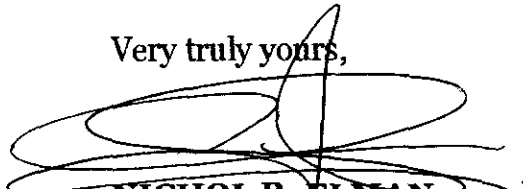

In this connection, therefore, please be informed that DepEd has been chosen to sit in one of the major committees which is entitled to a representation thereof. However, in the recently concluded special meeting of the Negros Oriental Tourism Governing Board, it was recommended that such agency/institution/office is requested to send a permanent representative to sit in the said committee to have continuity in the deliberation of Tourism trends and issues. We would therefore like to request a formal appointment of your representative specifically assigned to your committee.

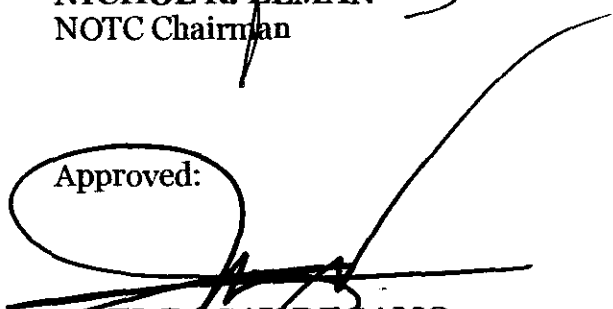

The organizational meeting of the Negros Oriental Tourism Council will be convened on **July 10, 2018 at the Convention Center Visionaire's Lounge at 1:00 pm.**

We look forward to your positive response on this regard!

Thank you and In God We Trust!

Very truly yours,

  
**NICHOL R. ELMAN**  
NOTC Chairman
