SECTION

Dear **SDS Bongalos**:

Greetings!

The Philippine Business for Social Progress, through the support of the Telstra Foundation Philippines, will engage with selected Schools Division Offices (SDOs) nationwide to strengthen industry and academe linkages for better access to quality education. The program aims to enhance the capacity of SDOs to engage with the industries and other partners through: 1) technical assistance on industry linkage, 2) facilitation and identification of opportunities for partnerships and enhancement of existing ones, 3) matching education requirements with business and industry needs or capabilities, and 4) assistance in institutionalizing partnerships and interventions in the SDO level. All of these are towards enabling Senior High School to deliver its promise of producing graduates with the necessary skills and competencies for higher education, work, and enterprise development.

We are pleased to inform you that your SDO is selected to participate in a series of activities of the program. First off will be a two-day Cluster Region/Division Workshop for Visayas, titled **"SHS-Industry Linkages and Enhancement Workshop through SDOs"** to be held on **July 30-31, 2018**. The venue is still being finalized but will be within Cebu City. We would like to request the following participants: 1) Schools Division Superintendent/Assistant Division Superintendent, 2) Division SHS Coordinator, 3) Division Partnership Focal Person, and 4) one other staff involved in SHS. We will shoulder travel and accommodation expenses. Attached is the indicative program for your reference.

If you have further questions, please don't hesitate to contact PBSP Senior Program Officer for Visayas, Cecilia Ang, at 0917-711-1215 or email at [ccang@pbsp.org.ph](mailto:ccang@pbsp.org.ph).

We look forward to a fruitful partnership!

Sincerely,

*Reynaldo F. Laguda*  
**REYNALDO ANTONIO R. LAGUDA**  
Executive Director

### SHS-Industry Linkages and Enhancement Workshop

**What to bring:**

1. List of all public SHS in the Division, program offerings and number of students enrolled (as of last enrolment)
2. Tracking of graduated senior high schools (if available)
3. 1 laptop per SDO

**Objectives:**

1. To assess the effectiveness of SHS-Industry linkages in terms of the benefits derived from the partnerships;
2. To identify other areas for SHS-Industry partnerships;
3. To formulate strategies/action plans for involving more industry partners/strengthening existing partnerships for SHS; and
4. To agree on/prepare what to be presented during the SDO-Industry/Partners Matching Forum.
