Dear Mr. Jimenez,

Greetings of Peace & Love!

Gender Watch Against Violence & Exploitation (GWAVE) is a duly incorporated and accredited non-government organization (NGO) assisting women & girls in situations of domestic violence among other problems. The MVFC or Men for Violence-Free Communities, one of GWAVE's programs, advocates for men to become partners in promoting Gender Equality & Non-violence.

With the aim of engaging men to become actively involved in advocating for gender equality, we were able to train a group of male facilitators who can readily cater workshops on Gender Awareness, Positive Masculinity, VAW: Violence Against Women, Gender-Based Violence Laws, & Reproductive Health. As one of the trained men, we would like to invite **Mr. Reynald Dote** from your institution to participate in the updating on the said topics. This updating will involve facilitation demonstrations. The activity will start from **February 04, 2018 (Sunday) at 1:00pm** and will end on **February 5, 2018 (Monday) at 5pm** at **Escosa's Beach Resort, Amlan, Negros Oriental**. We believe that his contribution to this endeavor is valuable and will be of great benefit not for him but the community as a whole.

Meals and materials needed during the course of the training will be provided for free by GWAVE.

For your confirmation, please contact the undersigned through **09754440703 / (035) 226-1800** on or before **January 31, 2018**.

We hope for a positive response from you soon. Thank you very much and God Bless!

Sincerely,

Mr. BRENDOS ANTIPUESTO
