Dear Madam :

Warmest greetings!

The Municipality of Mabinay would like to convey our heartfelt gratitude in your Department's effort to capacitate LGUs. We have become more aware of our roles and responsibilities and accountabilities. More so, we have become development-oriented, innovative and responsive to the national government's development thrust as well as commitments to international declarations such as the Millennium Development Goals (MDGs) specifically on MDG #7 – Ensure Environmental Sustainability.

Thus, the DILG project on "Good Practices in Local Governance: Facility for Adaption and Replication" (GO-FAR) is a helpful tool to enable us to improve our service delivery through sharing and replicating of good practices.

In view of this, we will be conducting a Four Day revisit of the Executive and Legislative Agenda for Local Governance and Development cum Benchmarking to LGU's with Good Practices in Tourism and Education at Panglao Bohol on August 8-11, 2018, which is known for their best practices in Tourism. We would be very thankful if you would allow *Mrs. Glenda Cadelina*-Principal of Manlingay Elementary School to join us on the above-mentioned activity.

We are looking forward for a favorable response from you on this matter.

Thank you and GOD bless!

Very truly yours,

ERNIE T. UY, RN, LUB
